Individual Registration Membership Process

The same process is applied for the Individual Registration Process. When a parent proceeds to register their child who is not in a team, they will be asked to create a profile before adding their child

The screenshot shows a web interface for registration. At the top, there is a navigation bar with a "GO TO MAIN SITE >" button and several menu items: DASHBOARD, CALENDAR, TEAMS, BOOKINGS, and STATEMENTS, each with a corresponding icon. A user profile icon is also present. Below the navigation bar, a central box contains the text "Registering for Wednesday Junior Soccer League - Autumn Season 24". Underneath this text are two prominent green buttons: "Register your child or children" and "Register yourself".

Create profile:

The "Create profile" form is enclosed in a green border. At the top, a yellow box contains the instruction: "Enter your own information below, not that of your child. You are creating your own account with Spawtz here. You will enter your child's information on the next step". Below this are several input fields: "First Name" and "Last Name" (two separate boxes), "Email Address" (containing "support@motio.com.au"), "Password" (with a masked field of dots), and "Mobile Phone". A "Terms & Conditions" section follows, with two checkboxes: "I have read the [privacy policy](#) and agree to the [terms and conditions](#)" and "I have read and agree to the [terms and conditions](#) and agree to receiving fixture reminder notifications and other relevant communications from Motio Play Pty Ltd or any of its related entities and partners." Below the checkboxes, a note states: "Our [Privacy Policy](#) tells you how we collect and use your personal information. If you require any further information please contact privacy@motio.com.au". At the bottom left, there is a green button labeled "Create My Account".
